The Authorities of the Institution has tried their level best to comply with the above resolutions taken and the head wise compliance report is given in section B of this report.

### **Part-B**

#### **1. Activities reflecting the goals and objectives of the Institution**

The curricular and co-curricular programmes were in line with the institution's goals and objectives. The curriculum and syllabus addressed the needs of society through value education, environmental education and self development through educational psychology and sensitization to equality and equity. ICT also has been included in the curriculum.

We have formulated our mission of training well motivated teachers who are intellectually competent, morally upright, socially and professionally committed and spiritually inspired in order to become instruments of social transformation. It is satisfying to note that there was a concerted effort by the faculty and staff to achieve

this aim. Our students have done well in various areas of their training. Our college stands today as one of the best college of education in the state.

## **2. New academic Programmes initiated (UG and PG)**

No new academic U.G/P.G Programmes was introduced during the session 2010-2011. We have applied to the Tamil Nadu Teacher Education University to start M.Phil Programme in Education.

## **3. Innovations in curricular design and transaction**

The college is affiliated to Tamilnadu Teachers Education University, Chennai. The curriculum design is the sole right of board of studies in education of the university. Hence the college is bound to follow the curriculum designed and approved by the authorities. College has adopted the newly constructed syllabus by the university for B.Ed during the session 2010-2011. For other courses it is as before. B.Ed staff members attended curriculum design programme by the university. The specific subjects are fought as per direction of the university authorities who decides the curricular design. However we provide knowledge to our students by adopting newer technology related academic activity.

## **4. Inter - disciplinary programmes started**

The college has not started any interdisciplinary courses. In view of importing value education to prospective teachers we conduct certificate and Diploma course in Gandhian Thought and yoga to view the related content of the text from the web.

## **5. Examination reforms implemented**

The college is bound to follow the examination system of Tamil Nadu Teachers Education University to which it is affiliated college neither can deny the university norms nor can modify them but again the college has its own internal ways of improving the student quality through examination system adopted for the same viz. unit test, weekly test, first terminal test, Model Exam I, Model Exam II and assignments.

Students securing their marks in the examination dieseline in the class, co-curricular activities, only we are giving internal marks. Our university has changed the system of internal marks and practical marks in the examination during the Academic years 2010-2011 onwards.

Moreover marks obtained are arranged in serial order of merit and displayed on the notice Board for the information of students.

In B.Ed., course total marks should be allotted for 1,000

Core paper – I,II&III

“Need and Importance of Health”**

### **Yoga Training**

Yoga is a way of better living. It ensures greater efficiency in work and a better control over mind and emotion. Through yoga one can achieve both physical and mental harmony. Yoga in Sanskrit root word “Yuj”. It Means “to Join” the human being to the universal. (I.e. Paramathma to Jeevathma). It is a part of “self awareness, self realization and self experience”.

**Meeting on Yoga**

**Students Exhibiting ASANA**

Asana means holding the body in a particular posture to bring stability to the body and poise to the mind. The practice of asana brings firmness to the body and vitality to the body and mind. We offer yoga training to our students from 3.40 pm to 4.30 pm on every Friday for their well being.

### **33. Performance in Sports Activities**

A sound mind is in a sound body. Every person must possess a health mind; to have a healthy mind one must have a healthy physique healthy person could alone make a healthy society. He quoted that “Lack of activity destroys the good condition of every human being, while movement and methodical physical exercise save and preserve it”- **Plato**.

For the holistic development of our students our college gives equal importance to curricular and extra curricular activities we have allotted 3.40 pm to 4.30 pm as physical education compulsory class for all students. Not only that our college has included performance in sports activities – physical and health education as one of the elective paper at B.Ed., level our students are trained to play various indoor and outdoor games.
