05. Practice Teaching Schools

From the analysis of the Practice Teaching Schools report, it was found that more than 85% of School Headmasters in Internship Schools appreciated our Teacher trainees for their behavioral characteristics and teaching efficacy.

Action Taken Report

Based on the feedback report, the following measures were taken to address the requirement of the Stake holders.

- Details related to digital access to various resources is to be shared with students regularly so that they have access to learning material.
- Regular and timely cleaning of all washrooms. A cleaning schedule for the same should also put up for their accountability.
- Regular maintenance of fire systems
- To improvement the quality and price of canteen food along with better crowd management there.
- Study material and all course books are available and accessible in the digital mode for students.
- To conduct counseling sessions, talks, and seminars for students to have greater clarity on their career options.
- To encourage the faculty to keep updating themselves in their respective disciplines by participating in FDPs, Seminars, Workshops and orient their pedagogical methodologies accordingly.
