BEST PRACTICE – 1

1. TITLE OF THE PRACTICE

Welfare Activities in the Adopted School

2. AIM

Dr. Sivanthi Aditanar College of Education has a very active societal contribution and orients the B.Ed. trainees to community service while they are studying in educational institution. A school is an integral part of the community and must play a dynamic role in taking the community forward. It is the paramount duty of Teacher Education Institutions to sensitize student teachers towards the plight of the underprivileged and to encourage the students at a young age to work towards their upliftment. To bring this in to reality Our College has adopted a Primary School, in the nearby adopted Village Gandhipuram.

3. OBJECTIVES OF THE PRACTICE

The following are the objectives of the best Practice adopted:

- To ensure a conducive learning environment in the adopted school.
- To develop academic standard in the adopted school.
- To ensure holistic development of the students in the adopted school

4. THE CONTEXT

Our College has a unique programme of Adoption of school in the nearby village and carrying out welfare activities in the school. Our College provides an ideal environment in the adopted school that encourages holistic development through infrastructural and personnel support. It is need of the hour that beyond academics care must be taken in nurturing the emotional, social, and physical well-being of their students. Our College plays a vital role in Implementing a range of student welfare
